

Dear Natick High School families,

Natick High School is continuing with its partnership with gphomestay to again bring up to 12 international students to our school for the 2016-2017 school year! We are looking for Natick families that are interested in the rewarding experience of hosting!

Start and End Dates:

Late August 2016 – Early June 2017

The ideal host family will have a child or children attending Natick High School for the 2016-2017 school year, will primarily speak English at home and has time in their schedule to interact and share their American and family culture with the student.

The host family will need to provide:

- Three meals a day
- A private furnished room, and
- A safe, nurturing environment.

Stipend:

A generous stipend of \$1,000 per month for the academic year will be provided to the host family to offset the costs of hosting.

Families of all types, ethnicities, backgrounds and sizes are welcome.

Support:

gphomestay provides ongoing support during a student's stay including 24/7 access to local staff members, a conflict resolution team, respite care for family vacations and emergency situations, umbrella insurance for host families, medical insurance for all students, and quarterly residential check-ins.

There is a \$300 bonus for referrals as long as that family approved.

Next Steps:

Families should please submit an inquiry at www.gphomestay.com or contact Julie Rowe at jrowe@gphomestay.com.

THANK YOU!
